Ray moved, Chuck second, to approve the minutes of June 18, 2019, as printed. Passed unanimously.

No new correspondence.

Previous Business – Nothing from EGLE (former MDEQ) yet. Bill's email reported that EGLE is still waiting for AECOM/URS RI's final report and that AFCEC's project manager Corey Lam has a new assignment. No new contact person yet. Chuck reported on the KCEDC meeting on August 7, 2019. There is a need for an organization or person to step forward who could use the Mt. Horace Greeley site in order to get the Air Force moving to clean up the site. Much discussion.

New Business – Chuck presented the information to be included on the Keweenaw County website for the Authority. The group checked the information and found it good. Chuck will give this to the County and find out how future changes to the information can be made. Chuck stated that blueprints related to Mt Horace Greeley that were in the hands of the Keweenaw County Historical Society have been given to the Keweenaw National Historical Park. They loaned some blueprints to the Air Force and have not received them back. Both Ray and Chuck mentioned that they also have some blueprints in their position that they will turn over to the Keweenaw National Historical Park. Mark will contact the National Park archivist and get back to Chuck and Ray. The blueprints may shed light on the building's specifications to see what materials were used in their construction.

Chuck asked for public comment at 7:32 pm. There was no public comment.

Ray moved, Mark second, to adjourn the meeting at 7:34 pm. Passed unanimously.

The next regularly scheduled Authority meeting will be held on Tuesday, October 15, 2019, at 6:30 pm at the Keweenaw County Courthouse in Eagle River, Michigan.
